Our Purpose Today

- Bring Federal regulators, interested members of the public, industry, and other stakeholders together to improve regulations
- Share knowledge and experiences with oil spill response planning and preparedness
- Gather ideas for harmonizing PHMSA's Parts 130 and 194 regulations with other agencies
- Discuss practical ways regulated entities can better plan and prepare for an oil spill

Agenda

9:00 – 9:15	Welcome and Opening Remarks
9:15 – 9:30	Overview of National Response System
9:30 – 10:15	PHMSA Regulations for Onshore Oil Pipelines - Review of Oil Spill Response Plans and Exercises
10:15 – 10:30	Break
10:30 – 11:00	PHMSA Office of Hazardous Materials Safety
11:00 – 12:00	Oil Spill Response Regulatory Agency Panel
