ICDA - §§ 192.923 (b) & 192.927; SCCDA - §§ 192.923 (c) & 192.929; Guided Wave Ultrasonics – Appendix F; Passage of ILI Devices - § 192.150

The proposed rule as published in the Federal Register and the Draft Regulatory Evaluation, with regard to the provisions for ICDA, SCCDA requirements, Guided Wave Ultrasonics testing, and the passage of ILI devices, are technically feasible, reasonable, cost-effective, and practicable, if the following changes are made:

- Revise §§ 192.923 (b & c), 192.927, and 192.929 according to the recommendations by PHMSA staff at the meeting, per PHMSA’s slides.
- Revise the “no objection” process as recommended by members at the GPAC meeting per the recommended procedure under § 192.607 and considering the other recommendations made regarding the GWUT process by members Drake and Zamarin.
