

Conclusions and Closing

September 10, 2015

Alan Mayberry

PHMSA Office of Pipeline Safety

Deputy Associate Administrator, Policy and Programs

U.S. Department of Transportation
Pipeline and Hazardous Materials
Safety Administration

To Protect People and the Environment From the Risks of
Hazardous Materials Transportation

- Comment period closes 10/26
- Thank you for your attendance and participation
- Amy (Amy.Nelson@dot.gov; 202-493-0591) is the point of contact for further questions and clarifications

PHMSA's vision for the NPMS

- Effective, complete, and fast tool for emergency responders and thousands of government officials
- Major component of risk analysis
- Tool for inspection support
- Inform the public about pipelines in their area
- Provide decision support for regulatory actions and research & development projects

Final Questions?

U.S. Department of Transportation
**Pipeline and Hazardous Materials
